The Company

ABC Info Soft Pvt Ltd is a New Generation Information Technology Company, incorporated with a vision to provide world class IT solutions to diversified industries across the Globe.

Founded in the year 1996 as ABC Systems & Software, the company has been offering software solutions for various small and medium Enterprises. ABC info solutions evolved as a result of expansion of operations and infrastructure to meet the challenges of changing trends in technologies and growing software expectations.

ABC stands for

Acumen

Brilliance

Commitment

Acumen

Acumen, Originally the Latin meant to sharpen a needle. The dictionary defines the word acumen as “Quickness, accuracy, and keenness of judgment or insight”.

And what defines Acumen as a company is our assurance to provide you with the absolute best IT Solutions and Services in keeping with the definition of our name.

Brilliance

Brilliance means genius or intellect.

The company comprises of highly competent IT professionals having extensive domain knowledge with ability to innovate and a strong desire to excel.

Commitment

The company firmly believes in honoring commitments to its clients and associates.

We are committed to provide domain specific quality solutions and services to enable our customers to enhance their core business competencies.

We are committed to build lasting strategic partnerships with our associates, to ensure satisfaction and measurable business results.

Our Vision

Driven by ethics, endeavoring in pursuit of perfection and excelling as a Global IT Solution Provider.

Our Policy

- ✓ Partner with our clients towards satisfying their IT needs by using our expertise and experience towards providing complete solutions and value addition to them.
- ✓ Maintain consistent quality that meets client's expectations of specifications, time-schedules and costs.
- ✓ Create and nurture an environment that will continue to attract and retain the best of our people as we grow and provide each of them with ample exposure and opportunities to excel.
- ✓ Continuous refinement of procedures and methodologies for improving our software development capabilities.
- ✓ Expanding and exploring the power of technology to provide solutions that are cost-effective and customer (user)-friendly.
- ✓ Strict follow up of Software Development life cycle to ensure that project is delivered in time without compromising in quality.

Our Solutions

We offer a broad range of world class software solutions.

Bhoomi, our ERP Solution ensures a complete integration of system across departments providing real time data across applications throughout any real estate organization. It manages multiple Projects, their Pre-launch, Launch, Customer Support, Payment Schedules, Reminders, etc along with entire Marketing and Financial operations. Flexible to generate hundreds of MIS reports. The objective is to make the entire operations of the company system driven, rather than personnel driven.

Hospital ERP, our flagship product in Medical Domain, integrates all departments of a multi specialty hospital into a single functional system. We also have software for Nursing homes and individual clinics/ labs/ chemists.

In **Industrial Domain**, we provide customized solutions to meet the business requirements of small & medium enterprises. Here the focus lies on production planning and control which enhance the efficiency and complete control in an organization.

Our Services

Our strength lies in understanding, refining and translating business / enterprise processes into highly customized and efficient solutions. With over a decade of experience in serving clients from various industries like Healthcare, Manufacturing, Trading, Financial Sector, Real Estate, etc., we have amassed unparalleled domain expertise and gained invaluable insights into the functioning of these industries. Our knowledge and experience puts us in a unique position to deliver world-class domain specific solutions and services on-time and within budget.

Our Services Include

Customised Software Development

We analyse the exact nature and working of customer system & resources to design, develop and implement the suitable solution that stimulates the existing system. We take very practical approach in the design of our systems which yields confidence from managers to workers in the automation process.

Offshore Software Development

The objective essentially is to provide cost effectiveness to our partners and clients around the globe. At every stage of development process, from conceptual design to product release, the highest quality and transparency standards are maintained.

Infrastructure

We have a dedicated state-of-the-art software development center in New Delhi India, and a highly skilled team having extensive experience in designing and developing cutting edge software solutions

We have a separate support wing that comprises of technical professionals from various domains that ensures comprehensive training of staff and management at the client site to enable them use our solutions to their optimum performance.

A robust, flexible, responsive and scalable infrastructure with risk assessment based security controls at all the stages makes our development centre manageable and secure.

A deep domain expertise of our experienced consultants as well as continuous training has resulted in a formidable pool of talent that is comparable to the best in the industry.

Industry standard access & encryption procedures are deployed to protect critical applications.

Methodology

Our methodology consists of the following principle steps

- A. Obtain a good understanding of client's business and strategy to build a strong partnership.
- B. Detailed study of set-up documents, the principle information requirements and critical success factor at each operating level.
- C. Identifying Information Technology opportunities suitable to client's need.
- D. Redesign existing business process with a view to:
 - a. Avoid 100 % duplication of work.
 - b. Catch the data at source.
 - c. Single point entry of any data.
- E. Comprehensive user training of the proposed business.

Clients

Customer satisfaction is our primary aim. We are committed to build lasting strategic partnerships with our clients to ensure satisfaction and measurable business results which has earned us the admiration of our more than thousand clients over the years.
